[Portfolio/Shivam](#)

Education

Maulana Azad National Institute of Technology, Bhopal

2023-2027

Bachelor of Technology in Mechanical Engineering

CGPA - 8.6

Little Flower House, Varanasi, Uttar Pradesh

2021-2022

Class XII (PCM)

Percentage: 87.8

Technical Skills

Programming Languages: Python, Javascript

Data Engineering and Analytics: ETL, PySpark, Warehousing, Power BI, Excel, Pandas, Matplotlib

Machine Learning & AI: ML, RAG, LLM, LangChain Ollama, Qwen

Tools and Cloud: Git, GitHub, Docker, Azure

Personal Projects

RAG Document Assistant | *Python, LangChain, FAISS, Hugging Face, Ollama*

[Link](#)

- Developed a RAG-based document assistant enabling PDF upload and context-grounded question answering using local LLM inference.
- Implemented document processing pipeline with PDF extraction, text chunking, embeddings generation, and FAISS-based semantic retrieval.
- Integrated Ollama-based LLM responses with page-level citations and designed modular components for retrieval and session-based document management.

Executive Sales & Finance Dashboard | *Power BI, SQL, Power Query, DAX*

[Link](#)

- Developed an interactive Power BI dashboard to analyze sales, profit, customer, and financial KPIs using SQL, Power Query, and DAX.
- Designed a star schema data model and created DAX measures for revenue, profit margin, YoY growth, and customer insights.
- Built dynamic dashboards with drill-through, slicers, KPI cards, and forecasting features to support executive decision-making.

Sales & Product Data Warehouse using ETL & Medallion Architecture | *SQL, Python, ETL, Warehousing* [Link](#)

- Designed a sales and product data warehouse using Medallion Architecture with Bronze, Silver, and Gold layers for structured data processing.
- Developed ETL pipelines to ingest, clean, transform, and prepare transactional data into analytics-ready datasets.
- Implemented dimensional modeling with fact and dimension tables to enable efficient analytical reporting and SQL-based insights.

Position Of Responsibilities

Toorynaad Society, MANIT Bhopal

2024 – Present

Lead Web Developer

- Developed and maintaining web platform for Toorynaad Society to enhance digital presence and improve event accessibility.

Banaras Locomotive Works (Indian Railways)

May 2025 – June 2025

Summer Industrial Trainee

Varanasi

- Gained practical exposure to locomotive manufacturing processes, production workflows, and quality control operations across multiple divisions.

Certifications

- SQL and Relational Databases 101 – IBM**

[Certificate](#)
